THE DAY AFTER

Town in Rosy Mood Thinking How Big Send-off Day Really Proved.

In the light of another day and afin the light of another day and after thoroughly assimilating impressions, it was unanimously declared by Putnam citizens Friday that Thursday's demonstration for the certified men was the greatest ever.

Old residents say that they cannot recall any event approaching it as a demonstration of patriotism and of the

"we're with you boys" spirit, and of the ram is proud, as it certainly has a right to be, though giving full credit to all of the people and all of the towns that helped make such a glorious send-off

The committee that had charge of the arrangements gave out a statement Friday, thanking all citizens and organizations in this district for their spontaneous and patriotic aid, especially thanking the local board of exemption, the bands, the speakers, those who assisted in the dinner, the marshal and his aids, the merchants and manufacturers and all those who took part in the parade, for their untiring assistance in the program.

The committee expressed the hope that their words of appreciation would be considered as coming also from the great body of citizens of the town and city of Putnam as the reception was

by Miss Eleanor Clark of Pomfret

As an indication of the limit to which the generosity of the people went in helping make the demonstration a success, it may be stated that the magnificent roses that decorated the dinner tables at Elks' hall represented a value in excess of \$300, and were some of the finest roses to be found in the New England' states. They were the gift of Miss Eleanor Clark of Pomfret and were arranged by her superintendent, Representative John Ash. These superb blooms decorated the lapels of the certified men when they marched in the afternoon's parade and they were taken to Camp Devens by the boys.

Cigars for Boys, Among the gifts that the boys re-ceived just before going away was a box of fine eigars from George S. Bradley of this city, these to smoke on the train while en route to camp.

Added to Depot Brigade. Press despatches from Ayer Friday indicated that the men from Putnam, Thompson, Woodstock, Killingly, Eastford and Ashford, who went to Camp Devens Thursday, have been

MISS HELEN OWEN

Hartford.—Secretary Charles D. Hine of the state board of education has just received a copy of the Newton Bee. The copy possesses undsual interest because of its age. There is an air of antiquity about it, suggested perhaps by the fact that it was mailed June 23, 1917.

Miss Helen Owen, who recently returned from France where she had been driving an ambulance on the battle front, has returned to New York and has obtained a position driving a truck. After her first day's experience with New York's traffic she said she would rather be on the front driving amid shells.
